

# Congress Centre LE MAJESTIC

The Majestic is a former palatial hotel built at the beginning of the last century. It has been completely renovated and very well equipped as a Convention Centre, while preserving its luxury atmosphere.

A mere 200 meters from the town centre and close to the different accommodations, the Majestic offers 11 magnificent rooms to suit events for 15 to 430 people and equipped with a complete visual and sound material.

Furthermore, you will take advantage of a large entrance hall with welcoming desk and bar for coffee-breaks, relaxing places with sofa and a spacious terrace facing a wooded garden and the Mont-Blanc mountain range.
